To whom this may concern,

I am writing this letter at the request of Mr. David Tan and I am willing to serve as a reference for his application for this scholarship opportunity and experience. As a professor and Dean of VSU Honors College, I have positive opinions regarding Mr. Tan's qualifications and academic abilities. As an Honors student, David is an exceptional student and is motivated to excel in his discipline.

In addition to his academic achievements, David is also incredibly engaged in discipline related activities and experiences. In the time that I have known him, I see that he is serious about his work and ongoing development. I am happy to lend my strong support for his application. Please feel free to contact me if there is a need for additional comments.

Sincerely,

Michael P. Savoie
